WATER AND SEWER RATES & CHARGES

Water Rate (1 unit = 1,000 gallons) per unit \$ 4.81

System Ready-To-Serve Charge (RTS)

All units (residential, commercial and industrial) shall be charged the System RTS charge based on the following Meter Equivalent Ratios:

3/4"	\$	12.00
1"	\$	21.36
1 1/2"	\$	48.00
2"	\$	85.32
3"	\$	192.00
4"	\$	341.28

Non-Registering Meters

The consumption charge shall be based on usage from the same quarter of the prior year. If that figure is not available, then the average of the three (3) prior quarters shall be used. If no prior quarters are available, or if these quarters were in error, then the consumption charge shall be based on a minimum of ten (10) units of usage. A written notice of the non-registering meter will be sent to the property owner and/or resident requesting that they contact the Utility Billing Clerk for an appointment to correct the problem. If the customer fails to respond to the written notification, the consumption charge (non-refundable) on subsequent billings will be based on the account's highest recorded quarterly usage or on twenty (20) units (whichever is higher) and increase by 10 units for each billing thereafter until the problem is resolved.
